

Accreditation Review Commission on Education
for the Physician Assistant, Inc.

ARC-PA Fee Structure

Cost and Fees (effective 1.1.12) Clinical Postgraduate PA Program Accreditation

FEE DESCRIPTION	COST
Technical Assistance Fee	\$ 100
<p>This fee covers the cost of web conference or onsite technical assistance to programs prior to submitting applications. Fee is assessed per program regardless of the number of program participants. Technical assistance is optional.</p>	
Administrative Review Fee , payable with submission of application.	\$ 350
<p>This fee covers the initial administrative review of the program's application for completeness and is required prior to scheduling the program site visit. If the program chooses not to continue in the process within one year of this review, it must submit a revised application and pay the administrative fee again prior to a site visit.</p>	
Initial accreditation application fee , payable prior to the visit.	\$ 3,500
<p>This fee covers the review of the program's application materials and the cost of the site visit, for one visitor for a one day visit.</p>	
Annual accreditation fee	\$ 750
<p>This fee is billed to each accredited program in December of each year</p>	
Continuing application accreditation fee , payable with the continuing application.	\$ 1,200
<p>This fee covers the costs of program review for continuing accreditation after initial 3 year period of accreditation. No site visit is required for this review. (This cost is in addition to the annual fee.)</p>	
Application fee for review of continuing application and site visit.	\$ 3,500
Application fee for review of continuing application without a site visit	\$1,200
<p>This fee will be incurred at 6 years after the program was initially accredited.</p>	
Costs for any unanticipated special site visits	\$ 1,500
<p>This cost would cover any special visits required due to concerns based on changes in program outcomes, periods of program inactivity, review of annual reports. One visitor for one day visit</p>
